Master of Science in Nursing (BSN to MSN)

The Master of Science in Nursing (BSN-MSN) degree is a two-year program (24 months). The curriculum has two major areas: 1) The Nurse as Educator, and 2) The Nurse as Leader, Manager, and Entrepreneur. Content integrated throughout the curriculum includes transcultural nursing, ethics, research, and application of knowledge and skills as an educator or nursing leader.

See admissions requirements for the Master of Science in Nursing (BSN-MSN).
