Freshmen may not declare a course Pass/Fail. Upperclass students may declare one course Pass/Fail each term (summer is one term). This limitation does not apply to courses of 1-hour credit or less or to courses designated Pass/Fail Only or Pass/Fail Oriented.

Courses listed No Pass/Fail may not be taken on a Pass/Fail basis. Courses listed Pass/Fail Only may not be taken for a grade.

For a grade of Pass (P*) students must earn a "C-" or better. Fail (F*) is recorded for grades of "D+" or lower. Grades of P and P* are not computed in a student's grade point average; grade for F and F* are computed in the GPA.

Grades of P* may affect a student's eligibility for the Academics Honors List.

Grades of P* may not be used to meet requirements for a major, minor, or supporting program without permission from the department chair offering the major or minor.

Each student may use two courses with grades of P* toward "Preparing for Global Citzenship" general education requirements. This excludes courses from the "First-Year Experience" category.

I understand the conditions and terms of this Pass/Fail Request.
