

PSYCH 232 Abnormal Psychology Practicum (1 hours)

A supervised, experiential type of learning in which the student is assigned to an individual or group of residents/outpatients at one of the community mental health facilities. Students prepare weekly written reports and a summary paper at the close of the semester. Students spend 45 hours per semester in the assigned setting for each hour of academic credit.

Pass/Fail only.

Prerequisite(s) or corequisite(s): [PSYCH 231 Abnormal Psychology](#).

(Normally offered each semester.)
