## PRIVACY OF EDUCATIONAL RECORDS

The Family Educational Rights and Privacy Act of 1974 provides for specific rights to students regarding the privacy of their educational records.

Nebraska Wesleyan has designated the following information as directory information:

Name — Dates of Attendance at Nebraska Wesleyan University — Home Address — Date and Place of Birth — Local Address — Degrees and Awards Received at Nebraska Wesleyan — Home Telephone Number — Institutions Attended Prior to Admission — Local Telephone Number — Participation in Recognized Activities and Sports — E-mail Address — Weight and Height of Members of Athletic Teams — Classification and Major — Photograph

Directory information may be disclosed by Nebraska Wesleyan without student consent; however, students have the right to withhold its disclosure.

If a student does not wish directory information to be released without his or her consent, the student must notify the University College Office in writing. Nebraska Wesleyan will not disclose the contents of students' educational records to other parties, except under circumstances allowed by the Act, without the student's consent.

Educational records are available for review by students in accordance with the Act. Students may submit to the Registrar, Dean of University College, advisor, or other appropriate officials written requests that identify the record(s) they wish to inspect. Students may ask Nebraska Wesleyan to amend their educational records if information contained in them is inaccurate, misleading, or in violation of their privacy rights. Students have the right to challenge the contents of an educational record under the prescribed procedures and to file a complaint with the U.S. Department of Education if there is a violation of the Act.

### **STUDENT RIGHT-TO-KNOW ACT**

In accordance with the Student Right-to-Know Act of 1993, Nebraska Wesleyan's student persistence/graduation rates are available for disclosure to current and prospective students, employees, and interested community members. See the Registrar's Office for this information.

### **STUDENTS WITH DISABILITIES**

Federal law requires that Nebraska Wesleyan University make "reasonable accommodations" to ensure that persons with disabilities will have equal access to all educational programs, activities, and services. Therefore, Nebraska Wesleyan University, in compliance with Section 504 of the Rehabilitation Act of 1973, as amended, and with the Americans with Disabilities Act of 1990 (ADA), recognizes the university's obligation to make reasonable accommodations for qualified students with disabilities.

A "reasonable accommodation" is defined as any change in an environment or in the way things are customarily done that (1) enables an individual with a disability to enjoy equal opportunities; and (2) does not fundamentally alter the nature of the activity, service, or program.

A "disabled" person is defined as one who has a physical or mental impairment that substantially affects one or more major life activities or has a record of such an impairment, or is regarded as having such an impairment.

To facilitate plans for any reasonable accommodations, students with disabilities must identify and document

their needs following their admission to Nebraska Wesleyan University. It is the responsibility of the student to notify the university of his/her disability; to document the disability; and to request accommodation.

For details, contact Sandra McBride, the Coordinator for Students with Disabilities, 402.465.2346.

### **ATTENDANCE POLICY**

Regular class attendance is expected of all students. Specific requirements vary and each instructor provides a written statement of his or her attendance policy for each class on the syllabus.

Students who are unable to attend a class meeting must contact the instructor. Students who plan to discontinue a course after the drop deadline must officially withdraw from the course before the withdrawal deadline. Contact the University College Office.

### **ALCOHOL AND DRUGS POLICY**

Because of the serious problems related to the use of alcoholic beverages and controlled substances, and because this practice can lead to a loss of effectiveness in human life and does not contribute to the teaching-learning process, the Nebraska Wesleyan community reaffirms its position of serious concern about and opposition to the use of alcoholic beverages and/or controlled substances in this college environment. The Nebraska Wesleyan community urges that all of its members exercise mature judgment and social responsibility when making decisions regarding the use of alcoholic beverages and other drugs. This University community further denounces and prohibits the sale, possession, distribution or use of illegal drugs by students, faculty or staff. The University is committed to helping individuals who are suffering from a chemical dependency or drug abuse problem, and we urge the members of this academic community to become actively engaged in drug and alcohol education, prevention and treatment programs where appropriate.

While the Board of Governors recognizes the rights of students to be protected from intrusive drug testing, the Board acknowledges that substance abuse or illegal drug usage may hinder a student's performance (academic, athletic or other), health, or safety.

Additionally, the Board recognizes that such abuse or use may adversely affect the interests of the University community. As such, it is the determination by the Board of Governors that Nebraska Wesleyan is authorized to implement appropriate procedures to protect the interests of the students and the University community. Such procedures may include the implementation of a screening process or the request for an evaluation from

a qualified professional to determine the seriousness of the problem. In the implementation of these procedures, Nebraska Wesleyan is committed to protect the due process and privacy rights of students.

Violations of law and/or violations of the Code of Student Conduct shall be adjudicated by the proper judicial bodies. The complete policy is listed at <http://www.nebrwesleyan.edu/current-undergraduates/policies-and-procedures/beer-and-drugs-policy>.
