

Policy title Pre-Employment Screening Policy Policy	Category Human Resources
Owner Human Resources	Approved by Board of Governors

Policy statement

- All prospective maintenance employees, housekeeping employees, and grounds employees are required to submit to a pre-employment physical examination and drug screening by a medical clinic selected by Nebraska Wesleyan University.
- The screening process proceeds only after the position has been offered and accepted.
- The screening applies only to the essential functions set forth in the job description.

Questions about this policy and implementation procedures should be referred to the Human Resources Office.
