ARTICLE III

Membership of the Board of Governors

Section 1. The Board of Governors shall consist of not fewer than twenty-one (21), nor more than thirty-eight (38) persons, as follows:

- A. not more than thirty-one elected by the Board of Governors;
- B. two elected by the students;
- C. two elected by the faculty;
- D. the Bishop of The United Methodist Church having supervision of the area in which Lincoln, Nebraska, is located (the "Bishop"), or a representative designated by the Bishop to sit on the Board in his/her stead;
- E. the President of the Nebraska Wesleyan University Alumni Association; and
- F. the President of the University.

Section 2. New Governors and incumbent members of the Board of Governors who are eligible for re-election shall be elected as set forth in Article IV of these Bylaws.

Section 3. Except as set forth in Article IV, Governors shall serve for three- year terms and shall be eligible for re-election to a maximum of three full consecutive terms. Governors who have served for nine consecutive years (exclusive of any partial term) shall be eligible for re-election following a one-year hiatus, or as determined by the Committee on Board Affairs. The Board officers, the Bishop (or the Bishop's representative), the President of the University, and the President of the Alumni Association shall be exempt from this provision until at least one year has passed following completion of their term of office, or until the Committee on Board Affairs shall otherwise determine.

Section 4. All Governors except the Bishop (or the Bishop's representative), the President of the University, and the President of the Alumni Association serve at the pleasure of the Board. A Governor may be removed from office by an affirmative vote of two-thirds of the Governors.

Section 5. In order to affirm the relationship between Nebraska Wesleyan University and The United Methodist Church, ordinarily no fewer than twenty-five percent (25%) of the members of the Board of Governors shall be members of The United Methodist Church. All actions of the Board of Governors are valid even if there is a failure to achieve or maintain this twenty-five percent (25%) membership requirement. In the event that fewer than twenty-five percent of the duly elected, qualified, and acting members of the Board of Governors are members of The United Methodist Church, the Board of Governors shall take all reasonable steps to correct this situation as soon as is reasonably practicable.

ARTICLE IV

Election of the Board of Governors

Section 1. The Board of Governors shall elect no more than thirty-one persons to be members of the Board of Governors, divided into three classes to be as nearly equal in number as possible. No more than ten members nor fewer than four members shall be elected to each class to serve three-year terms, except that one class of Governors may consist of eleven members. If fewer than ten or eleven members, as the case may be, are elected in any class, the positions not filled shall be regarded as vacant and may be filled by the Board of Governors at a later time. The person elected to fill a vacancy shall serve that portion of the three-year term that remains at the time of election. Each year the Committee on Board Affairs shall submit to the Board of Governors the names of not more than ten or eleven persons, as the case may be, nominated by the committee for election to the Board of Governors. Additional nominations may be made from the floor, but only if the nominees have consented to serve if elected. The Board of Governors shall then elect no more than ten or eleven, as the case may be, of the nominees to serve three-year terms on the Board of Governors. Vacancies on the Board of Governors caused by ineligibility, death, resignation or removal of a member elected by the Board of Governors shall be filled by the Board of Governors. The person selected to fill the vacancy shall serve until the end of the unexpired term.

Section 2. Two members of the Board of Governors shall be persons elected by the students. The manner in which these members are to be elected, their terms of office, and their eligibility for election and re-election shall be set forth in the rules of the Student Affairs Senate. A person shall not be eligible to be a candidate for election by the students as a member of the Board of Governors unless that person, at the time of election, has completed two semesters of full-time academic work at Nebraska Wesleyan University, is in academic good standing, expects to be a full-time student at Nebraska Wesleyan University during the term of office, if elected, and fulfills such other requirements as may be set forth in the rules of the Student Affairs Senate. If a person elected by the students to be a member of the Board of Governors is unable to serve or continue serving because of failure to meet the requirements of this section, or, in the event of the death or resignation of a member elected by the students, the vacancy shall be filled in the manner set forth in the rules of the Student Affairs Senate. Rules of the Student Affairs Senate relating to the election of student members of the Board of Governors, and amendments thereof, shall not take effect until approved by the Board of Governors.

Section 3. Two members of the Board of Governors shall be persons elected by the faculty. The manner in which these persons are to be elected, their terms of office, and their eligibility for election and re-election shall be set forth in the rules adopted by the faculty. A person elected as a member of the Board of Governors by the faculty shall not be eligible to serve or continue serving as a Governor unless he or she is a full-time faculty member at Nebraska Wesleyan University. If a person elected by the faculty to be a member of the Board of Governors is unable to serve or continue serving because of failure to meet the requirements of this section, or, in the event of the death or resignation of a member elected by the faculty, the vacancy shall be filled in the manner determined by the faculty. The faculty shall adopt such rules as it deems proper with respect to the manner in which members of the faculty are to be elected as members of the Board of Governors. These rules, and any amendments thereof, shall not take effect until approved by the Board of Governors.

Section 4. The Bishop shall serve as a member of the Board of Governors while serving as Bishop for the area in which Lincoln, Nebraska, is located. The Bishop may designate a representative to sit on the Board in his/her stead. Section 2. The Chair of the Board of Governors will serve as the chair of the Executive Committee, and the Vice Chair of the Board of Governors will serve as vice chair of the Executive Committee.

Section 3. A schedule for regular meetings of the Executive Committee will be approved by the Board of Governors at the same time the schedule for regular meetings of the Board of Governors is approved. The Executive Committee will generally meet between Board meetings and normally at least thirty (30) days before the Board meeting. Any member of the Board of Governors is welcome to attend any Executive Committee meeting with the exception of the portion of the meeting conducted in executive session. A special meeting of the Executive Committee can be called by either the chair or the vice chair of the committee.

Section 4. The Executive Committee has the authority to act on behalf of the Board of Governors on all matters except for the following, which will be reserved for the Board as specified elsewhere in these Bylaws: presidential selection and termination; selection of members and officers of the Board of Governors; amendments to the Articles of Incorporation and Bylaws; revision of the Statement of Mission of the University; authorization of corporate indebtedness; and approval of the annual budget. These Bylaws or other Board policies may reserve other powers for the Board of Governors.

Its broad power will be used only as necessary and appropriate on routine housekeeping business or on emergency matters that cannot or should not be delayed until the Board's next regularly scheduled meeting or until a special meeting of the Board is called, as specified in these Bylaws.

Section 6. The Executive Committee will oversee the work of the standing committees, the University's planning process, and the Board's support of the chief executive officer and his or her compensation. Committee minutes will be submitted to all members of the Board of Governors for formal ratification by the Board at its next meeting.

ARTICLE XVII

Indemnification

Each Governor, officer, and employee of the University shall be indemnified against all expenses actually and necessarily incurred by the Governor, officer, or employee in connection with the defense of any action, suit, or proceeding to which he or she has been made a party by reason of being or having been a Governor, officer, or employee. The University shall cover such expenses and judgments except in relation to matters where the Governor, officer, or employee shall be adjudicated in such action, suit, or proceeding to be liable for gross negligence or willful misconduct in the performance of duty. The University shall maintain appropriate Governor, officer, and employee liability insurance coverage for this purpose. Each Governor, officer, and employee shall be indemnified to the extent allowed by law, and in compliance with, Nebraska law.

ARTICLE XVIII

Conflict of Interest

Section 1. Purpose. The purpose of this conflict of interest policy is to ensure that decisions of the Board of Governors are made in the best interests of the University, free from influences incompatible with a Governor's fiduciary duty to the institution or that involve actions by a Governor with the actual or apparent purpose of using the Governor's role at the University to achieve personal gain for the Governor or his or her family, friends or associates. This policy is intended to supplement but not replace any laws governing conflicts of interest applicable to the University.

Section 2. Procedure.

- A. A conflict of interest is a matter involving the University in which a Board of Governors member has a direct or indirect interest.
- B. A matter in which a member of the Board of Governors has a conflict of interest may be approved by the vote of the Board of Governors or a committee of the Board if: (1) the material facts of the matter and the Board member's interest are disclosed or known to the Board or committee of the Board; and (2) the Board members approving the matter in good faith reasonably believe that the matter is fair to the University.
- C. For purposes of this section, a member of the Board of Governors has an indirect interest in a matter if: (1) another entity in which the Board member has a material interest or in which the Board member is a general partner is a party to the matter; or (2) another entity of which the Board member is a director, officer, or trustee is a party to the matter.

D. For purposes of subsection B. of this section, a matter involving a conflict of interest is authorized, approved, or ratified if it receives the affirmative vote of a majority of the Board members who have no direct or indirect interest in the matter, but a matter may not be authorized, approved, or ratified under this section by a single Board member. If a majority of the Board members who have no direct or indirect interest in the matter vote to authorize, approve, or ratify the matter, a quorum is present for the purpose of taking action under this section. The presence of, or a vote cast by, a Board member with a direct or indirect interest in the matter does not affect the validity of any action taken under subdivision B. (1) of this section if the matter is otherwise approved as provided in subsection B.

Section 3. Disclosure. Each Governor shall complete and sign a conflict of interest disclosure form provided annually by the Secretary of the Board of Governors.

ARTICLE XIX

Review and Amendment of Bylaws

Section 1. These Bylaws may be changed or amended at any meeting of the Board of Governors by a two-thirds vote of those present, provided notice of the substance of the proposed amendment is sent to all Governors at least thirty (30) days before the meeting.

Section 2. These Bylaws shall be reviewed periodically by the Secretary of the Board of Governors and the Executive Committee. The Secretary and the Executive Committee shall recommend any necessary changes to the Board of Governors.
