HATTIE JOHNS AND HELEN JOHNS FULTON ENDOWED SCHOLARSHIP

Craig and Elizabeth Wanamaker established the Hattie Johns and Helen Johns Fulton Endowed Scholarship to encourage NWU students to travel outside of the United States to study and experience cultures other than their own. The scholarship is named in honor of Craig Wanamaker's Aunt Hattie Johns and Grandmother Helen Johns Fulton. Hamilton County residents, Aunt Hattie and Grandma Fulton believed in the value of education and had a huge positive impact on Craig. The scholarship will provide financial assistance to students for costs associated with travel/study abroad. One \$400 scholarship for each semester and one \$150 scholarship for each short-term (less than 1 semester) period will be available.

NICK LEE STUDY ABROAD SCHOLARSHIP

Marti and Ron Lee established the Nick Lee Study Abroad Scholarship as a part of a commemoration of the joyful life of their son, Nick Lee. Because Nick was actively involved with various NWU international programs and participated in a NWU semester study abroad program, Marti and Ron wanted to keep Nick's spirit alive. The scholarship will provide financial assistance to NWU students for costs associated with study abroad. One \$400 scholarship for each semester will be available.
