

Transfer Guide: MCC Liberal Arts Transfer (LATAA) to NWU Bachelor of Arts or Science in Sociology-Anthropology

This Pathway is designed to help students earning an Associate of Arts degree in Liberal Arts Transfer (LATAA) transfer into the sociology-anthropology major at Nebraska Wesleyan University. Students who follow this pathway are in position to complete a Bachelor of Arts or Bachelor of Science degree in Sociology-Anthropology in two years (four full-time semesters).

Some guidelines for this Pathway:

- Students following this pathway will transfer a total of 91.5-93 quarter credit hours, which is equivalent to 62-63 semester credit hours at NWU.
- Students making satisfactory progress after transferring, and who follow their course plan, can graduate in two years at NWU.
- NWU strongly encourages students to choose MATH 1410 Statistics for their math course at MCC to be prepared for upper-level sociology courses at NWU.
- Students who transfer before completing courses or requirements in this pathway may be able to complete courses after transferring and stay on track. Consult an NWU admissions counselor for guidance.

General Transfer Policies:

- MCC Courses must have grades of C or better to transfer.
- MCC Courses with numbers below 1000 will not transfer.
- NWU can transfer a maximum of 96 quarter hours (64 semester hours) from community colleges.
 - 4.5 quarter credits transfer as 3 semester credit hours; 6 quarter credit hours transfer as 4 semester credit hours.
- Students must complete a minimum of 126 semester credit hours to earn a bachelor's degree from NWU. Transferrable courses which do not meet degree requirements (aka "elective credits") still count toward this 126 and are marked on the pathway as "credit toward graduation."
- Students should work with their advisor when selecting courses for the AA. This guide offers recommendations for transferable courses and is not intended to be a substitute for advising at MCC.
