The Archway Curriculum

Nebraska Wesleyan University's nationally-recognized general education program

NWU has designed the Archway Curriculum to enrich our students' skills development within and beyond their majors throughout their time at NWU. We want you to get the most out of your undergraduate career and still graduate on time.

Students must complete all requirements for both the Archway Curriculum and the business major to earn a Bachelor of Science in Business Administration. CCC students can transfer in many courses to meet these requirements. A course can meet both requirements for the business major and the Archway Curriculum.
