FINALE

SPECIAL THANKS

The involvement of the guest artists in this event was made possible by the Pace Woods Foundation. Nebraska Wesleyan University is proud to acknowledge this special gift.

The late F. Pace Woods II was an avid supporter of the arts whose career began in early television. For NBC Hollywood, he directed for The Dinah Shore Show, The Jimmy Durante Show, and The Bob Hope Show among other series. He returned to Lincoln in 1958 to work for the family realty business, became an integral part of its success, and enjoyed active roles in supporting the arts in our community. He was a regular donor to Nebraska Wesleyan University and numerous organizations. Under the leadership of family and friends, the Pace Woods Foundation exists to carry on his passion for the arts and education.

We would also like to give our sincere thanks to:
