<th>NO</th>
<th>COMMENTS</th>
</tr>
</thead>
</table>

**Is the Application Complete?**

Has the applicant included all the materials needed for a complete application:

- Signed Copy of the Faculty Sponsor Check List
- Signatures of PI, Co-Investigator(s), and Faculty Sponsor on the application
- NIH or CITI certification for PI and Co-investigators
- Site permission letter(s) (if appropriate)
- Invitation to participate in research
- Appropriate informed consent/assent forms
- Data collection instrument(s)
- Any other attachments relevant to the application

<th>NO</th>
<th>COMMENTS</th>
</tr>
</thead>
</table>

**Basic Information:**

Does the application contain complete information about:

- Appropriate Review Category
- Project Title
- Estimated start and completion dates for data collection
- Estimated end date of research project
- Investigator(s) contact information
- List of sources for research project

### Risks & Benefits:

- Are additional informed consent forms included if youth or other vulnerable populations are being included in the study?
- Does this match the information provided in the recruitment materials?
- Has the applicant clearly explained the risks and benefits to the HUMAN SUBJECTS involved in the study?
- Have they stated how they will minimize the risks?
- Have they showed a direct benefit for the research participant beyond helping the researcher?
- Does this match the information provided in the Informed Consent form(s)?

### Informed Consent:

Does the Informed Consent form contain the following information:

- An explanation of the project,
- What the participant will be asked to do in the study
- The risks and benefits of being in the study
- How the data will be protected, including a statement about keeping records in a secure location for three years
- A statement about the participant’s freedom to withdraw from study without negative consequences
- Contact information for the researcher(s)
- A signature line for participant and researcher (if appropriate)
- Does the Informed Consent form contain the following statement?

> “This research has been reviewed and approved by the Nebraska Wesleyan University Institutional Review Board (IRB). To ask questions about your rights as a research participant, you may contact the NWU-IRB by contacting Justin Skirry, NWU-IRB Chair at (402) 465-2125, or at jskirry@nebrwesleyan.edu”

### Final Decision:

At completion of review, reviewer should make a decision about the status of the application. Possible decision categories are:

- Approved
- Revise and Resubmit
- Denied

Once the reviewer has made her decision, she should fill out the form below and submit to the NWU-IRB Chair, jskirry@nebrwesleyan.edu
