Pre-Health Professional program degree requirements

Nebraska Wesleyan University has earned an outstanding reputation for preparing alumni for success in medicine and allied health fields. NWU offers pre-professional programs in the areas of medicine, dentistry, physician assistant, physical therapy, occupational therapy, chiropractic medicine, pharmacy, optometry, and veterinary medicine.

Students will choose an undergraduate major which best aligns with the required coursework for their professional or graduate program. This guide will help you choose courses to take at IWCC that can be transferred and applied to majors in biology, biochemistry, chemistry, or exercise science.

- Required coursework can vary depending on a student's degree program, transferring credits, and other factors. Transfer equivalencies can change. Ask your admissions counselor for more information.
- The University Registrar and/or respective department chair at Nebraska Wesleyan will conduct a course-by-course evaluation of official transcripts to apply courses to general education, academic major, and degree requirements.
- Courses must have a grade of C- or higher to be considered for transfer, though some programs have additional requirements. See specific program requirements for more details. Courses with numbers below 100 will not transfer.
- Students must complete a total of 126 semester hours to earn a bachelor's degree from NWU. A maximum of 64 credit hours can be transferred from IWCC.

The Archway Curriculum

Nebraska Wesleyan University's nationally-recognized general education program

NWU has designed the Archway Curriculum to enrich our students' skills development within and beyond their majors throughout their time at NWU. We want you to get the most out of your undergraduate career and still graduate on time.

IWCC students can transfer in many courses to meet Archway Curriculum requirements. A course can meet both a requirement for a student's major and also for general education requirements
