No

A confidential resource will not share information unless there is an imminent safety concern.

Yes

Faculty and Staff are responsible employees and must report information about sexual misconduct, including the names of all known parties, to the Title IX Coordinator.

Would you like to make a Title IX Report?

The Title IX Coordinator

1) Assesses for safety
2) Connects you to resources
3) Documents the Title IX report

The University is limited in its ability to respond to anonymous reports.

That’s OK. NWU is here when you are ready. We strongly encourage you to get the support you need. Please remember there are confidential resources available to you.
