

Nebraska Wesleyan University

Transfer Guide for Southeast Community College Students

Pre-Health Professional Program degree requirements

Nebraska Wesleyan University has earned an outstanding reputation for preparing alumni for success in medicine and allied health fields. NWU offers pre-professional programs in the areas of medicine, dentistry, physician assistant, physical therapy, occupational therapy, chiropractic medicine, pharmacy, optometry, and veterinary medicine.

Students will choose an undergraduate major which best aligns with the required coursework for their professional or graduate program. This guide will help you choose courses to take at SCC that can be transferred and applied to majors in biology, biochemistry, chemistry, or exercise science.

The Archway Curriculum

Nebraska Wesleyan University's nationally-recognized general education program

NWU has designed the Archway Curriculum to enrich our students' skills development within and beyond their majors throughout their time at NWU. We want you to get the most out of your undergraduate career and still graduate on time. SCC students can transfer in many courses to meet Archway Curriculum requirements. A single course could meet both a requirement for a student's major and also for general education requirements.
