IRO

International Relations Organization

IRO creates a space for students from the U.S. and International Students to build a community of global friendships and cultural exchange!

IRO has weekly meetings where they play games, have cultural presentations, and build a community. They also have regular activities where students can have fun together and learn more about campus, Lincoln, and surrounding communities. These activities can include the Harvest Moon Festival, Husker Football Games, bowling, ice skating, holiday celebrations, the State Capital tour, and more!

Every Tuesday at 3:45 pm in Prairie Wolf A/B!

- Follow IRO on Instagram for updates and more information! @nwu.iro
