2018-2019 Nebraska Wesleyan University Independent Verification Worksheet

The federal processor has selected your 2018–2019 FAFSA for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you and your parents reported on your FAFSA. To verify that you provided correct information the financial aid administrator at NWU will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, include any required documents, and submit the form and other required documents to the financial aid office at NWU. We may ask for additional information. **Please return all required documents within three weeks of receipt of this request. DO NOT SEND COPIES OF YOUR 2016 TAX FORM.**

You are required to use prior-prior tax year information on your 2018-2019 FAFSA, which is your **2016** federal tax information. All income information listed on this worksheet should be 2016 tax year information.
